AND RECORD OF ACTION

February 25, 2003

FROM: KEN A. MILLER, Director
Department of Public Works – **Transportation**

SUBJECT: **ESTABLISH A THREE-WAY STOP CONTROL ON MARIPOSA ROAD AND
RANCHERO STREET - OAK HILLS AREA**

RECOMMENDATION: Adopt resolution establishing a three-way stop control at the intersection of Mariposa Road and Rancho Street, in the Oak Hills area.

BACKGROUND INFORMATION: Subsequent to a request from the City Engineer of the City of Hesperia, the Department recently completed a traffic engineering investigation at the intersection of Mariposa Road and Rancho Street, in the Oak Hills area. The investigation revealed that the traffic volumes have increased from all approaches to the intersection, creating potentially unsafe driving conditions for motorists at this location. The investigation concluded that safety could be improved at this intersection by stopping all traffic entering the intersection of Mariposa Road and Rancho Street. This can be accomplished by adopting this resolution per County Code Section 52.0111(a)(2).

REVIEW BY OTHERS: This item was reviewed by Deputy County Counsel Charles S. Scolastico on February 4, 2003, and County Administrative Office (Tom Forster, Administrative Analyst) on February 13, 2003.

FINANCIAL IMPACT: There is a cost incurred of approximately \$1,000 to install the appropriate signs, as well as minor administrative costs to update Department records. Funds are available in the Department's 2002/03 Operations budget.
